INDUSTRY

PROPERTY EXHIBITION

15 – 19 SEPTEMBER 2010 CYPRUS

Limassol has now its own Exhibition Centre!

The real estate sector has been particularly strengthened as a result of the accession of Cyprus to the European Union. The excellent climatic conditions prevailing on the island and the high standard of the related services are already attracting a lot of interest for acquiring property as well as for residence in Cyprus. The fact that every purchaser of property in Cyprus is protected by serious legal provisions that safeguard the purchaser's rights is a major factor that has contributed to the development of the real estate sector.

Cyprus Property Exhibition Centre proudly invites you to its First ***Property Exhibition***, which will take place on **15 – 19 of September 2010**, at the new Exhibition Centre of Limassol, Cyprus. The ***Cyprus Chamber of Commerce and Industry is supporting the Exhibition.***

The new Exhibition Centre has a total covered area of 3000m² and will host thousands of property sites which are available for sale both in Cyprus and abroad. Thousands of people are expected to visit this unique exhibition during its duration. Companies that are in the land development and/or in the building material sectors (including but not limited to stones, ceramics, glasses, doors, panels, wood, iron, stainless steel, other products for the home interior etc.) from Cyprus and abroad are welcomed to participate in the Exhibition.

Foreign investors from Arab and European Countries are welcomed to participate either as exhibitors or as visitors during the Exhibition.
